**Canada Affairs—The St. Lawrence.**  
Extracts from a private letter, dated

MONTREAL, March 5, 1847.

There is a great deal said here about Responsible Government, meaning an Executive Council, composed of State officers, with seats in the Common House of Assembly, nominated by the Governor-General, and to hold office only for such a period as they shall be able to secure to their measures a majority of the votes of members of that House, with the help of the whole Colonial press, or nearly the whole, at their disposal. No such system will be restored, nor is it probable that there will be a new Provincial election—the present Legislature will, I think, give a steady support to Lord Elgin, whose administration will resemble that of Lord Metcalfe, with this difference, that after a short time he will be succeeded by one who will be compelled with a wrecked war-chest, instead of a treasury, in the first part of his life, hardy and 36. The negotiations made by the new Governor are conservative; his Excellency has been, through life, in Parliament, and our country, it is steadily conservative. —

The Money Market is a little easier, and paper can be negotiated 1 per cent. cheaper than early in the week. The banks generally are keeping their discounts full.

The earnings of the Little Miami Railroad for the last three months show an increase of over eight per cent. on the same period of last year.

December 1846.—\$14,263 February 1847.—\$16,870 January 1847.—\$13,685 Total.—\$49,725 Same time last year.—\$24,772 Increase.—\$25,000

The Exports of this port for the week ending 12th March, were \$94,653, of which \$64,659 were in American bottoms. The arrivals were 40 and the clearances 55, of which 75 were American. The number of passengers arrived was 670. Among the exports from 5th to 12th March, inclusive, there were:

To Great Britain.—361,628 bushels corn, 25 tons meal, 14,251 bushel meal, 17,228 bushel flour, 65 cwt. bread, 124 lbs. bacon, 200 bushels barley, 143,707 lbs. lard, 29 tierces pork, 1,723 lbs. beef, 4,544 bushels oats, 375 bushels meal, 45,475 lbs. tallow, 1,196 bushels cotton, 800 lbs. tobacco leaf, 2,597 lbs. beeswax, 553 tiers rice. To France.—1,761 bushels cotton, 207 tiers rice, 1,700 lbs. bacon, 45,756 lbs. hides, 54,963 lbs. whalebone, 1,200 lbs. flour.

Hervey Sandford, Esq. has been elected President of the New-Haven Bank, in place of Henry Dennison, Esq. deceased.

The capital stock of the Syracuse and Oswego Railroad (\$300,000) is nearly or quite made up. Only \$9,000 was deficiency yesterday morning. When this and the Hudson River Railroads are completed, we shall have a continuous Railroad communication both to Lake Erie and Lake Ontario; and when the Erie Road is finished, two lines to Lake Erie by distinct routes. The connection of Lake Ontario with Syracuse is a measure long desired.

Two routes have been surveyed for the Canandaigua and Corning Railroad. The estimated expense of the first, through Penn Yan, Wayne village, Jersey Post Office, Mad Creek village and Painted Post to Corning, is \$492,000 for a cheap road, and \$1,306,500 for heavy road.

SAILED—Packet ship New World, Skiddi, for Liverpool. Wind NW.
